Chapter 11

Debtor in Possession in
Possession.**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY AND
DISCLAIMER REGARDING THE DEBTOR IN PETITION'S SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Russell Wayne Lester, dba Dixon Ridge Farms, the Debtor in Possession herein (the **"Debtor in Possession"**) files these *Global Notes and Statement of Limitations, Methodology and Disclaimer Regarding the Debtor in Possession's Schedules of Assets and Liabilities and Statement of Financial Affairs* (the **"Global Notes"**) contemporaneously with filing its Schedules of Assets and Liabilities (the **"Schedules"**) and Statement of Financial Affairs (the **"SOFA"**). The Debtor in Possession prepared the Schedules and SOFA in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the **"Bankruptcy Code"**), and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

1 These Global Notes pertain to, are incorporated by reference in, and comprise an integral
2 part of, all of the Schedules and SOFA. These Global Notes should be referred to, and reviewed
3 in connection with, any review of the Schedules and SOFA.

4 The Schedules and SOFA do not purport to represent financial statements prepared in
5 accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to
6 fully reconcile to any financial statements prepared by the Debtor in Possession. The Schedules
7 and SOFA reflect the Debtor in Possession’s best effort to compile information regarding the
8 assets and liabilities of the Debtor in Possession. Additionally, the Schedules and SOFA contain
9 unaudited information that is subject to further review and potential adjustment. The Debtor in
10 Possession reserves all rights to amend or supplement its Schedules and SOFA.

11 Nothing contained in the Schedules and SOFA or these Global Notes shall constitute a
12 waiver of any of the Debtor in Possession’s rights or an admission with respect to its chapter 11
13 case, including, but not limited to, any issues involving objections to claims, setoff or
14 recoupment, equitable subordination, defenses, characterization or re-characterization of
15 contracts, leases and claims, assumption or rejection of contracts and leases and/or causes of
16 action arising under the Bankruptcy Code or any other applicable laws to recover assets or avoid
17 transfers.

18 Notwithstanding the Debtor in Possession’s reasonable efforts to properly characterize,
19 classify, categorize, or designate certain claims, assets, executory contracts, and other items
20 reported in the Schedules and SOFA, the Debtor in Possession may nevertheless seek to
21 recharacterize, reclassify, recategorize, redesignate, add, or delete items included in the Schedules
22 and SOFA, and the Debtor in Possession and its estate reserve all rights in this regard.

23 Collecting data for the Schedules and SOFA, in the midst of an accelerated Chapter 11
24 individual filing, while also reopening its farming operations on the eve of the 2020 harvest, has
25 been extremely difficult. To assist the Debtor in Possession, Debtor in Possession’s counsel,
26 Felderstein Fitzgerald Willoughby Pascuzzi, and Rios, LLP (“FFWPR”) and an FFWPR paralegal
27 has worked with Debtor in Possession and Debtor in Possession’s employees to collect, collate
28 and input the information into the NextChapter bankruptcy program that collates the information

1 into the Schedules and SOFA. Neither FFWPR or any partner or employee of FFWPR has
2 independently verified any of the information provided from the Debtor in Possession's
3 employees and/or the Debtor in Possession's books and records.

4 **NOTES FOR SCHEDULES**

5 **Schedule A/B: Assets – Real and Personal Property.** Despite its commercially
6 reasonable efforts to identify all known assets, the Debtor in Possession may not have listed all
7 causes of action or potential causes of action against third parties as assets in its Schedules and
8 SOFA, including, but not limited to, causes of action arising under the Bankruptcy Code or any
9 other applicable laws to recover assets or avoid transfers. The Debtor in Possession and its estate
10 reserve all rights with respect to any claims and causes of action that it may have, and neither
11 these Global Notes nor the Schedules and SOFA shall be deemed a waiver of any such claims and
12 causes of actions, or in any way waive, prejudice, impair or otherwise affect the assertion of such
13 claims and causes of action. Any property that is listed as an unknown or undetermined amount
14 on account of the fact that the fair market value of such ownership is dependent on numerous
15 variables and factors and may differ significantly from a cost basis, the net book value, or the
16 Debtor in Possession's independent opinion as to a valuation.

17 In preparing Schedule A/B, the Debtor in Possession and his wife had to differentiate
18 between three uses for their community assets. First, the personal community property assets
19 were generally not input into the Dixon Ridge Farms Quickbooks accounting program
20 ("Quickbooks"). These assets are listed mainly in the general personal assets of Schedule A/B,
21 except for the Putah Creek real property described on Schedule A/BI Part 1(1), and Attachment
22 A, which real property, the processing buildings and attached equipment and the personal
23 residence. The business assets input into Quickbooks include assets for the processing business,
24 which requires multiple State licenses that a typical farmer does not possess, and farming assets.
25 For convenience, all these farm and processing equipment assets are listed under Farm equipment
26 Schedule A/B Part 6(49). No portion of processing equipment was listed under Schedule A/B Part
27 5(40).

28 **Schedule D: Creditors Who Have Claims Secured by Property.** The Debtor in

1 Possession and its estate reserve all rights to dispute or challenge the validity, perfection or
2 immunity from avoidance of any lien purported to be granted or perfected in any specific asset to
3 a creditor listed on Schedule D. The Debtor in Possession and its estate reserve all rights to
4 dispute or challenge the secured nature of any such claim or the characterization of the structure
5 of any transaction, document or instrument related to any such claim. The descriptions provided
6 in Schedule D are intended only to be a summary. By listing a party on Schedule D based on a
7 UCC-1 filing, the Debtor in Possession and its estate are not conceding that such party actually
8 holds a perfected, unavoidable security interest in the asset that is the subject of such filing and
9 reserve all rights as set forth in these Global Notes.

10 The walnut growers who executed individual “Contracts to Purchase Certified Organic
11 Walnuts” (the “2019 Contracts”) with the prepetition debtor, Mr. Russell Lester, dba Dixon Ridge
12 Farms (“DRF”) are listed in a zero dollar amount and as disputed and unliquidated claims based
13 on the following facts and circumstances. In the 2019 Contract, the 2019 Growers agreed that the
14 “DRF shall, for each crop year subject to this contract determine DRF’s declared price for
15 purposes of this contract.” The contract called for a payment in December based on 75% of the
16 “estimated” price for the 2019 crop market year (the “Estimated Payments”), but the declared
17 price was not determined until DRF declared the price based on market conditions in April of
18 each year. In April of 2020, unfortunately, the price of walnut meat had declined by more than
19 25% and the DRF declared price for the 2019 price was less than the Estimated Payments. DRF
20 sent out a certified letter informing all the 2019 Growers that no further payments were due given
21 the drastic reduction in market price due to COVID 19, and the letter also cancelled the contracts
22 that would otherwise automatically renew for the 2020 crop year. No further amounts are owed
23 by the Debtor in Possession to the 2019 Growers.

24 **Schedule E/F: Creditors Who Have Unsecured Claims.** The Debtor in Possession and
25 its estate reserve all rights to dispute or challenge whether creditors listed on Schedule E/F are
26 entitled to priority claims. Certain creditors listed on Schedule E/F may owe amounts to the
27 Debtor in Possession; as such, the Debtor in Possession and its estate may have valid setoff and
28 recoupment rights with respect to such amounts, which rights are not reflected on Schedule E/F.

Also, the amounts listed on Schedule E/F reflect known prepetition claims as of the filing of this bankruptcy case. Such amounts do not reflect any rights of setoff or recoupment that may be asserted by any creditors listed on Schedule E/F, and the Debtor in Possession and its estate reserve all rights to challenge any setoff and recoupment rights that may be asserted against it. The Debtor in Possession and its estate reserve all rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F.

Schedule G:

Notwithstanding the Debtor's reasonable efforts to properly characterize, classify, categorize, or designate certain contracts as executory or not, and other items reported in Schedule G, the Debtor may nevertheless seek to recharacterize, reclassify, recategorize, redesignate, add, or delete items included in Schedule G, and the Debtor and its estate reserve all rights in this regard.

NOTES FOR STATEMENT OF FINANCIAL AFFAIRS

All SOFA Questions The accelerated time frame has particularly impacted research required for many SOFA questions, and the Debtor in Possession and its estate reserve all rights to amend or supplement any of the SOFA answers.

SOFA 4. The \$0 gross income numbers for year to date is an estimate, as reviewed financial statements have not yet been produced by the Debtor in Possession's accountant. The 2019 gross income number was taken from the Debtor in Possession's reviewed 2019 financial statements, and the 2018 gross income number was taken from the Debtor in Possession's 2018 tax return less his spouse's W2 income.

SOFA 7. The Debtor in Possession and its estate reserve all rights, claims and defenses with respect to any and all listed lawsuits and administrative proceedings (or potential lawsuits and administrative proceedings). The listing of any such suits and proceedings shall not constitute an admission by the Debtor in Possession and its estate of any liabilities or that the actions or proceedings were correctly filed against the Debtor in Possession.

Official Form 106E/F

Schedule E/F: Creditors Who Have Unsecured Claims

12/15

Be as complete and accurate as possible. Use Part 1 for creditors with PRIORITY claims and Part 2 for creditors with NONPRIORITY claims. List the other party to any executory contracts or unexpired leases that could result in a claim. Also list executory contracts on *Schedule A/B: Property* (Official Form 106A/B) and on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 106G). Do not include any creditors with partially secured claims that are listed in *Schedule D: Creditors Who Have Claims Secured by Property*. If more space is needed, copy the Part you need, fill it out, number the entries in the boxes on the left. Attach the Continuation Page to this page. On the top of any additional pages, write your name and case number (if known).

Part 1: List All of Your PRIORITY Unsecured Claims

1. Do any creditors have priority unsecured claims against you?

- ☐ No. Go to Part 2.
☒ Yes.

2. List all of your priority unsecured claims. If a creditor has more than one priority unsecured claim, list the creditor separately for each claim. For each claim listed, identify what type of claim it is. If a claim has both priority and nonpriority amounts, list that claim here and show both priority and nonpriority amounts. As much as possible, list the claims in alphabetical order according to the creditor's name. If you have more than two priority unsecured claims, fill out the Continuation Page of Part 1. If more than one creditor holds a particular claim, list the other creditors in Part 3.

(For an explanation of each type of claim, see the instructions for this form in the instruction booklet.)
